

COUNCIL TAX UPDATE

ARE YOU GETTING VALUE FOR MONEY?

LABOUR AND LIB DEMS LET LOCAL RESIDENTS DOWN AS COUNCIL TAX SOARS

Labour-run Merton Council has increased Council Tax by another 5%, the maximum hike allowed without having to consult residents in a public vote. This is on top of Mayor Sadiq Khan's GLA precept, which will rise by 4%.

Your **local Conservatives** believe this is wrong, when local residents are being squeezed by Labour government tax rises. That's why Conservative councillors tabled a budget amendment to give residents in band A-E properties in Merton a 1% Council Tax rebate, **letting you keep more of your own money**.

Both **Labour** and the **Lib Dems** failed to back our amendment, meaning the full Council Tax hike will go ahead.

Your **local Conservatives** will continue campaigning for less waste and better value for money for local residents. **Do you think you get value for money from the Council?** Fill out our survey by scanning the QR code below.
